

## Empowering Your Business or Non-Profit with Strategic Legal Support

Navigating the legal landscape can be complex and time-consuming for businesses and non-profits alike. That's why Wong Fleming offers Outside General Counsel (OGC) services, providing ongoing, cost effective strategic legal guidance tailored to your specific needs.

### What is Outside General Counsel?

Think of us as your trusted legal partner, functioning as an extension of your in-house team. Unlike hiring Wong Fleming for a single legal issue, OGC services offer comprehensive support across a wide range of areas. This allows you to benefit from:

- **Proactive guidance:** We anticipate potential legal challenges and offer proactive solutions to mitigate risks.
- **Cost-effective solutions:** OGC services are designed to be budget-friendly, offering a cost-effective alternative to hiring in-house counsel.
- **Seamless collaboration:** Develop a strong working relationship with a dedicated attorney who understands the intricacies of your organization.
- **Faster response times:** Access timely legal advice whenever you need it, ensuring your organization stays ahead of legal issues.

### Our OGC Services for Companies

We support businesses of all sizes with expertise in:

- **Corporate Governance:** Ensuring compliance and best practices for board meetings, shareholder relations, and entity formation.
- **Contract Review and Negotiation:** Protecting your interests in all types of business contracts.
- **Employment Law:** Navigating complex employee relations issues and ensuring compliance with labor laws.
- **Risk Management:** Identifying and mitigating potential legal risks to safeguard your business.
- **Commercial Litigation:** Providing robust representation in legal disputes to protect your interests.
- **Intellectual Property:** Trademark filing and compliance; Licensing Agreements.

### Our OGC Services for Non-Profits

We understand the unique legal needs of non-profit organizations, offering tailored guidance on:

- **Non-Profit Formation and Governance:** Ensuring compliance with tax-exempt status and best practices for board governance.
- **Fundraising and Grant Compliance:** Navigating complex regulations and maximizing fundraising efforts.
- **Employment Law for Non-Profits:** Addressing specific employee issues faced by non-profit organizations.
- **Contract Review for Non-Profits:** Ensuring your contracts align with your organization's mission and objectives.
- **Risk Management for Non-Profits:** Identifying and mitigating legal risks specific to the non-profit sector.

## Benefits of Choosing Wong Fleming for OGC Services

- **Experienced Attorneys:** Our team boasts a proven track record of success across a diverse and comprehensive range of legal areas.
- **Industry Knowledge:** We understand the challenges and nuances of your specific industry or sector.
- **Responsive Communication:** We prioritize clear and timely communication with our clients, ensuring transparency and trust.
- **Cost-Transparency:** We offer flexible fee arrangements tailored to suit your budget.
